

# **ENROLMENT INFORMATION** **FOR GRADE R**

**Should you wish to be notified of the enrolment date, please send an e-mail to [bprimary@bprimary.co.za](mailto:bprimary@bprimary.co.za) and we will keep you on file and notify you once confirmed dates are in place.**

Please read your Grade R application form carefully. Grade R is not subsidised by the Gauteng Department of Education and therefore exemptions/ bursaries will not apply.

*We currently have two Grade R classes and only accommodate 26 learners per class. Last year we had more than 300 applications for Grade R.*

*We not able to guarantee a space for every child that lives or works in the area. We strongly advise that you apply at an additional educational institution as there is no guarantee that your child will be accepted – space is limited.*

## **ADMISSION CRITERIA FOR GRADE R**

If applying for Grade R in 2021, preference is given to a child turning 6 years in 2021. If space is available, learners turning 5 before 30 June 2021 may be considered.
